YOUR HAIL
RECOVERY TOOL

BIO-FORGE® ADVANCED

Bio-Forge® Advanced is a breakthrough in stress recovery from the effects of hail damage on crops by managing hormone balance within the plant.

Bio-Forge® Advanced works by facilitating greater uptake and utilization (metabolism) of key nutrients, like nitrogen, from available resources including soil-bound nutrients.

PRODUCT BENEFITS

- Mitigates stress caused by hail damage
- Restores hormone balance
- Helps plants recover from physical hail damage
